

DISTRICT OF COLUMBIA  
PUBLIC SCHOOLS

# How does the physical learning environment impact student learning?

Join DCPS and OPEFM(Office of Public Education Facilities Modernization) to learn and talk about how modern school buildings impact student achievement and how parents can apply the research behind modernization at home to promote effective learning.

**Wednesday, November 18, 2009**

**6:30pm - 8:00pm**

**H.D. Cooke Elementary School**

**2525 17th St. NW**

**Washington, D.C. 20001**
